

KIVI BERNHARD

Expert on "Predatory" Thinking in Business

Kivi Bernhard moved to the U.S with his wife and family in 1997. With only \$860.22 on his name he went on to build Kivi International, a multi-million dollar international wholesale diamond business.

Kivi's business network reads like a current edition of "Who's Who?" in business. Tapping into this asset has allowed him access to the minds of some of the most accomplished names in the global business arena.

Kivi has an amazing ability to synthesize his lifelong passion and study of Africa's predators with timeless life lessons across the spectrum of human experience. He is the author of internationally acclaimed business book "Leopardology: The Hunt for Profit in a Tough Global Economy", receiving numerous accolades from top CEO's and best-selling authors

all around the world.

Taking the professional speakers circuit by storm, Kivi has been requested to keynote audiences from the Bahamas to Bangkok. Recognized by many experts in the industry as "one of the most promising and talented speakers in the world today" and often described as an amalgamation of Crocodile Dundee and Jerry McGuire, he is a riveting and captivating speaker renowned for his platform excellence.

With the aid of award winning footage Kivi uses the hunting habits and techniques of the African leopard -perhaps the most successful feline predator on earth- to draw metaphors of personal and corporate leadership, trust and success that leaves audiences spellbound.

PROGRAMAS

Learning to Think and Plan in Business

This high energy and penetrating audio-visual presentation will take audiences on an imaginary safari deep in the African bush. With incredible stage presence, Kivi will amaze and inspire as he articulates his "pillars of positive predatory thinking". His own hunt for success is woven into this presentation as the story of his relocation to the U.S from South Africa in 1997 unfolds.

Making and Keeping Clients and Profits

Sales executives and their teams will be blown away by this high energy and penetrating

audio-visual presentation. Building meaningful and significant relationships with clients and customers is the only way to build effective and sustainable business, period! However it all must start with the primordial relationship one has with oneself, a key factor that will determine our ability to retain clients.

Critical Leadership

Effective leadership in life and business is all well and good, but how to maintain it and do so with constancy is what truly distinguishes leaders from followers. The global economy we live in today had forced our business teams to become comprised of much more successful individuals. This is a cutting-edge presentation like nothing you have ever experienced before.
