

MARC RANDOLPH

Netflix Co-Founder, Executive Mentor and Angel Investor

-
- Co-founder of the online movie and television streaming service Netflix, serving as their founding CEO
 - He's been a founder of more than half a dozen other successful start-ups, a mentor to hundreds of early stage entrepreneurs
 - Investor in numerous successful (and an even larger number of unsuccessful) tech ventures
 - His message is a blend of inspiration, stories drawn from the starting and growing of Netflix, plus dozens of concrete suggestions taken from his 4 decades as an entrepreneur on how people can bring innovation back to THEIR companies

Marc Randolph is a veteran Silicon Valley entrepreneur, advisor, investor and keynote speaker. Marc was co-founder of the online movie and television streaming service Netflix, serving as their founding CEO, as the executive producer of their web site, and as a

member of their board of directors until his retirement in 2004.

Although best known for starting Netflix, Marc's career as an entrepreneur spans more than four decades. He's been a founder of more than half a dozen other successful start-ups, a mentor to hundreds of early stage entrepreneurs, and an investor in numerous successful (and an even larger number of unsuccessful) tech ventures.

Most recently, Randolph co-founded an analytics software company Looker Data Sciences, and currently serves as an advisor to numerous other startups, serving variously as a mentor, CEO coach, and/or board member.

He is a frequent speaker at industry events, works extensively with young entrepreneur programs, and is a trustee of the non-profit National Outdoor Leadership School. Marc Randolph is charming, handsome and modest; and whenever possible avoids referring to himself in the third person. He lives in Santa Cruz, California.

Why Marc Randolph? Marc Randolph is a veteran Silicon Valley entrepreneur, advisor and investor perhaps best known as the co-founder of Netflix. His message is a blend of inspiration (overcoming adversity / anyone can do it / etc.), stories drawn from the starting and growing of Netflix, plus dozens of concrete suggestions taken from his 4 decades as an entrepreneur on how people can bring innovation back to THEIR companies.
